**Subject:** Nieuwpoort Race Week

Hi All,

Last weekend I joined the Nieuwpoort Race Week which was a fabulous event. Big fleets of optimists, Europe's and Cadets.

The organizing club owns 12 RS Tera's, 6 RS Feva's and they have 2 RS500 active sailors I think. The chairman of the organizing club is eager to have us coming back next year with more classes and more sailors and I cannot think of a reason why not to go.

- Professional committee
- Good and cheap accomodation (9,- per night per person for a 6-bed-lodge at the BLOSO-club.)
- Music all day long
- A lot of people around
- Very central location for France, Netherlands and UK.

Let's think about getting Tera's, Feva's and Aero's there next year. The RS500's are definitely going back next year, and will advertise heavily.

Best Regards,

Michiel Geerling
